"An alma mater for the burgeoning visionaries"

PROSPECTUS

Our Mission

To sculpture Samaritans who would make the nation proud through their latent dreams.....

Vision

Our Curriculum would teach children to respect each other and all valuable souls of community.

Our techniques would chisel the sensitivity in them and make them judicious in all aspects of life.

Co & Extra Curricular Activities

Apart from academics we emphasize on enhancing a child's social interaction, leadership, self discipline & self confidence. The School provides him/her healthy environment for learning in the form of various indoor and outdoor activities such as visits, picnics, competitions, sports activities etc.

Our Forte

- Overall motor development techniques
- Social Development techniques
- Intellectual awakening
- Traffic Park
- Dining and activity area
- Visits and exposure to real life
- Excellent academic facilitators
- Activities to instill the sense of patriotism

Faculty

The faculty consists of dedicated, qualified, trained and experienced mentors. The development and learning at our school is not restricted to the bookish knowledge but children are encouraged to participate in all activities.

Our teachers are directors who would support them in learning for the cause of life. Our teachers are fully committed towards the enhancement of academic and co-curricular activities of children. Bringing back joy into learning is our teacher's motto.

Smart Class Rooms

Our hallmark has been bringing technology to our classrooms with the introduction of interactive white boards. The classroom transforms into an interactive forum and enables the teachers to integrate a range of resources with their lessons. Online learning during Covid-19 Pandemic was also facilitated with utmost dedication by our staff using the technological resources available at our School.
