"An alma mater for the burgeoning visionaries"

PROSPECTUS

Our Mission

To inculcate values and craft young talents all equipped to face the fast paced world and in turn help our nation grow along our young minds.

Vision

Our Curriculum would teach children to respect each other and all valuable souls of community. Our techniques would chisel the sensitivity in the them and make them judicious in all aspects of life.

Our Forte

- Activity Based learning
- Excellent academic facilitators
- Intellectual awakening
- Traffic Park
- Sand Play Area
- Dining and Activity Area
- Visits and exposure to real life
- Activities to instill patriotism
- Special Educator

Faculty

The faculty consists of dedicated, qualified, trained and experienced mentors. The development and learning at our school is not restricted to the bookish knowledge but children are encouraged to participate in all activities.

Our teachers are directors who would support them in learning for the cause of life. Our teachers are fully committed towards the enhancement of academic and co-curricular activities of children. Bringing back joy into learning is our teacher's motto.

Interactive Boards & AC Classrooms

Our hallmark has been bringing Technology to our classrooms with the introduction of interactive boards. The classroom transforms into an interactive forum and enables the teachers to integrate a range of resources with their lessons. Online learning during Covid-19 Pandemic was also facilitated with utmost dedication by our staff using the technological resources available at our school.

All classrooms are Air Conditioned for making the teaching or learning experience more comfortable during summer seasons.

CO-CURRICULAR ACTIVITIES

A series of activities are conducted throughout the year to inculcate Confidence, Creativity, Culture and Curiosity among children. These qualities, believe, shall be the future life skills.
